

Foreigners will now be able to pay for a patent to work at the State Services (Gosuslugi)

Foreign citizens working in Russia on the basis of a patent will now be able to pay for it online

On November 2, 2022, on the portal of the Ministry of Digital Development, [information](#) was posted that a foreign citizen can now pay for a patent for work at the State Services.

How to pay for a patent for public services:

- Log in with your State Services account, then select the service ["Payment for a work patent for foreigners"](#)
- Check personal data and indicate information about the place of work
- Choose the type of payment - first or monthly
- Choose a payment method - "Online on Public Services"
- Make a payment for one or several months, depending on the desired validity period, download and save the receipt

To be able to use this payment system, a foreign citizen must have an account on the State Services portal. It is also necessary to indicate the employer, without this the service is not available.

We remind you that the amount of the monthly payment depends on the region of Russia in which the foreign citizen works.

Initially, documents for a patent must still be submitted in person, then it can be renewed online. This does not require payment terminals, ATMs or receipts, the information immediately goes to the authorized bodies.
