

From June 14, 2022 Russia removes all epidemiological restrictions for foreign tourists arriving by air

All epidemiological restrictions for foreigners arriving to Russia by plane or through sea checkpoints, as well as for citizens of Uzbekistan arriving by rail, will be removed

Based on the results of the meeting of the operational headquarters against coronavirus infection, which took place on Friday 03.06.22, it was decided to remove all epidemiological restrictions on the entry into Russia of foreign citizens arriving by air, as well as through sea checkpoints, from June 14, 2022.

Also, from June 14, 2022 Russia removes restrictions on the entry of citizens of Uzbekistan arriving by rail, railway communication on the routes Tashkent - Samara and Tashkent - Volgograd will be resumed with a frequency of once a week on each route.

These restrictions have been in place since March 2020.

Corresponding changes will be made to the order of the Government of Russia [of March 16, 2020 No. 635-r](#) and the order [of March 27, 2020 No. 763-r](#).

We are closely monitoring the release of the amendments and will update you with details as soon as the Amendment Order is signed.
